**IN THE MATTER OF PROCLAMATION FOR A "CELEBRATION OF NEW EXPANSION" FOR JAFE DECORATING, INC.**

*Whereas*, JAFE Decorating has been in business since 1978 providing specialty color/paint coatings for various industries including: automotive aftermarket lighting, commercial lighting, consumer lighting, restaurant table lighting etc. They also specialize in putting color and specialty coatings on and in glass; and

*Whereas*, in 2010 when Randy O'Dell purchased the company they had only thirty-one (31) employees; and

*Whereas*, today, the company has more than doubled in size with incentives from Darke County, City of Greenville, and JobsOhio as well; and

*Whereas*, JAFE started with a unique coating process that permanently bonds certain colors directly into the glass. This process actually changes the molecular structure at the surface of the glass to include metal coloring agents. The result is colored glass with the properties of the original glass article, but with a color coating resistant to abrasion, heat, and UV. JAFE is the only company in the United States that commercially colors glass using this high temperature, chemical bonding process; and

*Whereas*, JAFE's current team has a strong commitment to growth in Darke County and has exhibited that continuously; and they continue to be very community minded and are active players in the county's workforce and economic development efforts; and

*Whereas, We Therefore, the Board of Darke County Commissioners,*

do hereby proclaim this day, Friday, December 19<sup>th</sup>, 2014, as a "Celebration of New Expansion" for JAFE Decorating, Inc.
